August 13, 2012 – **A CAT IN PARIS**, the 2012 Academy Award® -nominated animated film from GKIDS that has been captivating critics and audiences since its U.S. theatrical release in June, makes its cable VOD, digital, DVD and Blu-ray debut on October 9 from Cinedigm Entertainment Group, a division of Cinedigm Digital Cinema Corp. (NASDAQ: CIDM).

From directors Jean-Loup Felicioli and Alain Gagnol and France's renowned Folimage animation studio, **A CAT IN PARIS** is a beautifully hand-drawn caper set in the shadow-drenched alleyways of Paris. Dino is a cat that leads a double life. By day he lives with Zoë, a little girl whose mother is a detective in the Parisian police force. But at night Dino sneaks out the window to work with Nico – a slinky cat burglar with a big heart, whose fluid movements are poetry in motion as he evades captors and slips and swishes from rooftop to rooftop across the city skyline.

With the voices of Academy Award®-winner Marcia Gay Harden (“Mystic River”), Academy Award®-winner Anjelica Huston (“The Royal Tenenbaums”) and Matthew Modine (“The Dark Knight Rises”), **A CAT IN PARIS** is a delightful animated adventure, perfect for both adults and children – a witty and stylish “animated noir” with a jazzy soundtrack featuring Billie Holiday and a thrilling climax on top of Notre Dame cathedral.

A CAT IN PARIS was an official selection at the Berlin, Annecy, San Francisco and Seattle film festivals, prior to its nationwide U.S. theatrical release in June 2012. The original French-language version of **A CAT IN PARIS** was nominated for a 2011 César Award (French Oscar®).
